### Humanitarian Service

Many of us eventually arrive at a point in life where giving brings us greater joy than receiving. It could have been the gratitude shown by the recipient of a gift or possibly a feeling deep down inside that your thoughtfulness has changed someone's life forever.

Such opportunities abound on the island of the Dominican Republic. The island is filled with gracious hard working and struggling people.

**We are working with an orphanage in the area of Higüey. We are looking for people who can also help with some construction work on this trip. Your effort and time will bless many lives.**

We have designed the humanitarian program to enrich the lives of all who participate. While each of us continues to search our soul for the meaning of life, we can be certain that experiences like these bring to our life more meaning.

### Resort Accommodations

Humanitarian service is hard work. It's time to reward your efforts with a little rest and relaxation.

Your trip includes **7** nights and **8** days luxury hotel accommodations at one of the Dominican Republic's finest **all-inclusive resort**.

Your VIP stay includes amazing local cuisine, local fruits, vegetables and seafood. By day, you will enjoy tanning and walks on gorgeous white sand beaches. Enjoy therapeutic **swimmings** in the warm waters of the Caribbean and Atlantic Oceans. Nights offer beautiful tropical sunsets and entertainment by local performers.

Resort staff will cater to your every need. These resorts offer a perfect destination to relax, meditate and rejuvenate. You will live in comfort and bask in luxury previously afforded only to royalty.

We would like to create a experience you will remember for a lifetime.
